For four (4) months I attempted to obtain remedy forms to address this issue while I was at Talladega, after which and as a result of being denied such form, i filed a civil action to the court on the issue. Consequently, my efforts were further thwarted by my being transferred to this institution (Marion USP). This is my attempt to pursue this issue to resolution.

Part A- INMATE REQUEST I filed the attached BP-8 on June 11, 2021 seeking to exhaust my administrative remedies where it is mandatory to do so in order to follow up the issue in the court(s). I went to Ms. Byran to obtain a response to the BP-8 and was told that she had misplaced the BP-8 (she claimed that she had given it to Mr. Crickmen to respond to but when I spoke to him about it he had no idea what I was talking about). According to Mr. Crickmen, my attempt to exhaust my remedies on the issue in the attached BP-8, such attempt would cause me to be placed in 'I-Block' for exercising my first amendment right to address unresolved issue in the court(s). It is clear that the BOP will not address this issue and that my being transferred to this institution was designed to prevent me from doing so. However, thwarting my ability to exhaust my remedies serves this institution no useful purpose. I simply need a response to this BP-9, no matter what it may be.

Part A - REASON FOR APPEAL My BP-8 and 9 were rejected by the warden predicated on the assumption that I had filed my complaint in an untimely manner. However, the warden did not take into consideration that I had 'valid reason(s)' for filing out of time as follows:

- (1) I was transferred here from Talladega before I could file my complaint there;
- (2) The time in transit separated me from documents needed to prepare a BP-8/9;
- (3) I was further constrained from filing my complaint in a timely manner as a result of the time it took to get my property once I arrived at Marion.

Accordingly, and as provided by BOP Pgrm. Sttmt. #1330.18(8)(b), tolling of the time to file my complaint should have been effected and an effective response to my BP-9 should have been provided. I therefore request a review of the issue of my complaint and an adequate response be given.
